

Would your team benefit from HCM system and payroll process training? While you are engaged with PayTech, we can also train your team to get the most value from your HCM investment. Whether your payroll team or HCM system is new or legacy, our experts will help improve your team's knowledge and confidence levels through a walk-beside-you approach – even virtually!

## TYPICAL TRAINING SITUATIONS

- ✓ Experiencing staff turnover
- ✓ Needing procedure documentation
- ✓ Implementing a new HCM system or module
- ✓ Lack of awareness or time to learn a new system
- ✓ Team or individual cross training gaps
- ✓ Transitioning from a transactional to a strategic department
- ✓ Lack of subject matter expertise on payroll & HR topics
- ✓ Additions or changes to roles and responsibilities

## OUR APPROACH

*"PayTech's consultant was a valued member of our team and not only helped us out when on this assignment, but also left us with valuable tools which have helped tremendously as we work to continue development of our new team members."*

- ✓ Strategic and tactical solutions
- ✓ Functional HR & payroll experience
- ✓ Collaboration, relationship building, and a walk beside you approach
- ✓ Expertise in multiple systems
- ✓ Quick and flexible contract process for fast deployment
- ✓ Simultaneous evaluation of payroll & HCM best practices

## YOUR RESULTS

*"From day one, PayTech's consultant 'jumped in with both feet' to help us learn our system... I knew nothing about this platform; without her training and guidance I would have struggled - now I am using the software like a Pro! Thank you PayTech!"*

- ⦿ Confidence in system and process knowledge
- ⦿ Improved efficiency
- ⦿ Application of best practices to your processes
- ⦿ Greater accuracy
- ⦿ Risk mitigation
- ⦿ Respected as a strategic partner
- ⦿ Improved morale
