

## THE ISSUE:

*Implementations are often outside your current role; you don't have the time or resources to plan and deliver successfully.*

**Do you need help implementing payroll and HRIS services?** PayTech has the expertise to lead your team through a smooth implementation, facilitating all aspects of the client experience, including analysis of your current processes and optimizing system utilization, resulting in a successful project.

## WHEN TO ENGAGE PAYTECH

- ✓ Tight timelines
- ✓ Resource shortages
- ✓ Sudden staff departures
- ✓ Resistance to change
- ✓ Limited experience or skills to manage

## DO YOU HAVE THE TIME?

## OUR APPROACH

### *Implementation on time and on budget*

- ✓ Strategic and tactical
- ✓ Functional HR/Payroll experience
- ✓ Liaison between provider and client
- ✓ Remove obstacles and expedite decision points
- ✓ Experienced with system and project expectations
- ✓ Tenacity to push forward and meet deadlines
- ✓ Identify tactical burdens that limit strategic efforts

*"PayTech's Solution Consultant was amazing, extremely responsive and extremely knowledgeable. There was a lot going on in two databases and multiple people. She really helped and saved us time with all of the work she did to get us ready for go-live. Without the PayTech team we would not have been able to accomplish everything."*
