

WE KNOW PAYROLL
paytech.com

Do you need help implementing payroll and HRIS services?
PayTech has the expertise to lead your team through a smooth implementation, facilitating all aspects of the client experience, including analysis of your current processes and optimizing system utilization, resulting in a successful project.

THE ISSUE:

Implementations are often outside your current role; you don't have the time or resources to plan and deliver successfully.

WHEN *to engage PayTech*

- ✓ Tight timelines
- ✓ Resource shortages
- ✓ Sudden staff departures
- ✓ Resistance to change
- ✓ Limited experience or skills to manage

"We would not have been able to meet the go live date without PayTech"

OUR APPROACH

DO YOU HAVE
THE TIME?

- ✓ Strategic and tactical
- ✓ Functional HR/Payroll experience
- ✓ Liaison between provider and client
- ✓ Remove obstacles and expedite decision points
- ✓ Experienced with system and project expectations
- ✓ Tenacity to push forward and meet deadlines
- ✓ Identify tactical burdens that limit strategic efforts

Implementation on time and on budget
