

Imagine a Year-end where you're not stressed, you're not overworked and you actually get to enjoy the holidays. Let us help you prepare and identify the missing processes and reports needed for Year-end...before Year-end. There are many things we can do to help your Year-end be successful and pain free.

ARE YOU READY *for Year-end?*

- ✓ Do you know what to audit or how?
- ✓ Have the time or resources?
- ✓ Have you implemented a new system?
- ✓ Confident in all upcoming compliance issues?
- ✓ Affordable Care Act (ACA)?
- ✓ Recent Merger & Acquisition?
- ✓ Are you being audited?

OUR APPROACH

- ✓ Utilize best practices to build/calculate/reconcile tax & W-2's
- ✓ Identify the missing or broken processes that require last minute effort
- ✓ Create a Year-End project plan and checklist
- ✓ Facilitate internal communication needed for W-2 processing
- ✓ Develop plan for ongoing Year-End success

YOUR RESULTS

- ⦿ Get W-2s and tax reporting out the door ON-TIME
- ⦿ Optimal system utilization to streamline and automate Year-end
- ⦿ Trained and confident staff
- ⦿ Elimination of costly W-2 & 941 errors
- ⦿ Peace of mind that Year-end is accurate & compliant
- ⦿ Enjoy the holidays, and spend time with your family

"PayTech understands the needs and requirements, has a no nonsense approach, and gets the job done."
